

Custom Crystal Reports
Report Catalogue for Sage 100 ERP
(formerly MAS 90 and 200)

Report Title:	Product Line Recap w/Groupings
Description:	The product line recap report with groupings to summarize product lines and the total quantity on hand and total inventory value for the product line and group.

Module:	Sales Order
Database Files:	Main report – ProductLine and RecapByProductLineWhse; subreport – Item

Issue:	You need to be able to group product lines together to summarize at a higher level. Exporting reports to Excel is messy and time consuming.
Resolution:	Add this report to your Sales Order Custom Reports Menu and print the Sales Order Recap with product line groupings and with the total quantity on hand and the inventory value for the product lines and groupings.

Installation:	Once your payment is processed, the product line groupings are added to the report and the report template is sent to you via email. You may elect to install the template yourself or the staff at Conner Ash P.C. will be happy to assist you for a small additional charge.
Customization:	Additional customization is available at our current hourly rate.

Contact:	To place an order or if you need additional information, please contact Suzanne Watson at (314) 205-2510.
